

Maine Veteran's Arts Celebration

FREEPORT SQUARE GALLERY

November, 2009

This exhibit will bring together Veteran artists and art from all over Maine – Kittery to Fort Kent. This powerful exhibit will showcase the sensibilities of artists who have served our country through the years. Work will be both war related and of everyday life. Art styles will range from contemporary realism to abstract. All media will be presented from pencil to sculpture.

Concurrent with the art exhibit will be poetry readings, book readings and musical performances. This will be a powerful month of art experiences that will impact both exhibitor and viewer.
